

CURRICULUM VITAE

Alireza Mirahmadizadeh, MD, MPH and PhD
Associate Professor of Epidemiology
Shiraz University of Medical Sciences

Feb, 18th 2025

Personal Background

- **First name:** Alireza
- **Last name:** Mirahmadizadeh
- **Date of Birth:** April, 23rd, 1965
- **Place of Birth:** Mashhad, Iran
- **Nationality:** Iranian
- **Sex:** Male
- **Marital Status:** Married
- **Children:** 3 Daughters
- **Tel, office:** (+98) 71 3212 2320
- **Fax, office:** (+98) 71 3223 7315
- **Mobile:** (+98) 912 516 9146
- **E-mail 1 :** mirahmadia@sums.ac.ir
- **E-mail 2:** reza13441@gmail.com
- **E-mail 3:** armirahmadizadeh@yahoo.com
- **Passport no.:** I 2115985
- **National ID:** 094-315641-6
- **H-Index in Google scholar = 26**
- **i10-Index in Google scholar = 57**
- **G-index in Google scholar = 46**
- **Citation in Google scholar = 3130**
- **H-index in Scopous = 20**
- **G-index in Scopous = 33**
- **H-index in Web of Science = 20**
- **H-index in Semantic scholar = 22**
- **ResearcherID:** [I-2342-2015](https://orcid.org/0000-0002-2259-4984)
- **ORCID ID:** [0000-0002-2259-4984](https://orcid.org/0000-0002-2259-4984)
- https://isid.research.ac.ir/Alireza_Mirahmadizadeh

Previous and Current Position

- Head of Non-communicable research center, Shiraz University of Medical Sciences, Shiraz, Iran.
- Member of scientific committee of Coronavirus, Shiraz University of Medical Sciences, Shiraz, Iran.
- Member of Fars Coronavirus committee, Shiraz University of Medical Sciences, Shiraz, Iran.
- Head of macro district 5 of Coronavirus epidemiology, Iran
- Member of high council of health economic, Shiraz University of Medical Sciences, Shiraz, Iran.
- Member of high council of statistics and information, Shiraz University of Medical Sciences, Shiraz, Iran.
- Member of Non-Communicable Diseases research Center, Shiraz University of Medical Sciences, Shiraz, Iran.
- Member of DarolEkram charity.
- Member of thinktank of Fars province, Shiraz University
- Secretary and supervisor of [Cohort Studies](#) in Shiraz University of Medical Sciences
- Secretary of SDH program in Shiraz University of Medical Sciences
- Assistant professor of Epidemiology, School of public health, Shiraz University of Medical Sciences
- Secretary of Social determinants of Health Research center of Shiraz University of Medical Sciences
- Member of CKD prevention committee, Shiraz University of Medical Sciences
- Secretary of Research and Development of Health Affairs of Shiraz University of Medical Sciences
- Secretary of Research and Studies Center of Shiraz University of Medical Sciences
- Member of the International AIDS Society (IAS), Member ID: 49681
- Member of HSR Committee of Shiraz University of Medical Sciences
- Member of Economic health Committee of Shiraz University of Medical Sciences

- Member of editorial team of Journal of Health Sciences and Surveillance System, Shiraz University of Medical Sciences
- Member of Substance Abuse Prevention Committee of Fars Province
- Volunteer Member of Red Crescent Society of Fars Province (As Trusted Physician, and Research & Education Advisor)
- Member of high council of Iranian Red Crescent Society
- Member of board of directors of Red Crescent Society of Fars Province
- Member of board of directors of Red Crescent Society of Shiraz

Education

- 2004 - 2009: Ph.D student of Epidemiology, Tehran University of Medical Sciences
- 1999 - 2001: Master of Public Health (MPH), Shiraz University of Medical Sciences
- 1997 - 1998: Course of Statistical Softwares (EPI & SPSS and stata)
- 1997 - 1998: Course of Microsoft Office Softwares (WORD, POWERPOINT) & Internet
- 1996 - 1997: Course of Computer (MS-DOS, NC, WINDOWS)
- 1989 - 1996: Medical Student, Shiraz University of Medical Sciences

Certifications

- 2016: Fellowship of advance EDC. methods for faculties, level, **Shiraz-Iran.**
- 2015: Fellowship of advance research methods for faculties, level, **Shiraz-Iran.**
- 2014: Workshop of GIS in Health, **Tehran-Iran,**
- 2014: Counsultation in HIV/AIDS prevention, **Shiraz-Iran.**
- 2012: Iranian Epidemiological Association, Advanced statistical methods for Case-Control studies, **Tehran-Iran,**
- 2012: Ministry of Health and medical education, Workshop on "Evidence-based medicine", **Tehran-Iran.**
- 2011: Kermanshah University of Medical Sciences and Center for Burden of Disease and cost-effectiveness (BODCE), School of Population Health, University of Queensland, Queensland, Australia, Workshop on Health Economic Evaluation: Conducting and reporting of modeled evaluations. **Kermanshah-Iran.**
- 2010: Shiraz University of Medical Sciences, Workshop on "Strategic Planning" advance level, **Shiraz-Iran.**
- 2010: Shiraz University of Medical Sciences, Workshop on "Systmatic review and Meta-analysis", **Shiraz-Iran.**
- 2010: Shiraz University of Medical Sciences, Workshop on "Medical Journalism", **Shiraz-Iran.**
- 2010: Shiraz University of Medical Sciences, Workshop on "Strategic Planning", **Shiraz-Iran.**
- 2009: World health organization, Ministry of health and mrdical education (Iran) and Kerman University of Medical Sciences, workshop on "Training course in new sampling methods for surveys among population at increased risk of HIV", **Tehran-Iran.**
- 2007: Tehran University of Medical Sciences, Workshop on "Refrence manager", **Tehran-Iran.**
- 2007: Tehran University of Medical Sciences, Workshop on "Advence searching in scientific databases", **Tehran-Iran.**
- 2007: Tehran University of Medical Sciences, Workshop on "How to write a paper, advanced level", **Tehran-Iran.**
- 2007: Tehran University of Medical Sciences, Workshop on "How to write a paper, mid level", **Tehran-Iran.**
- 2006: International Federation of Red Cross and Red Crescent Societies, Study visit of IFRC/RC, **Geneva-Switzerland.**
- 2005: Karolinska Institute Sweden and Iranian Epidemiological Association, Workshop on Cancer Epidemiology, **Tehran-Iran**
- 2005: Tehran University of Medical Sciences, Workshop on GIS, **Tehran-Iran.**
- 2005: Tehran University of Medical Sciences, Workshop on Meta-Analysis, **Tehran-Iran.**
- 2004: WHO/TUMS, Workshop on advanced medical research, **Tehran-Iran.**
- 2003: MCHE, English Exam, Total Score=59, **Tehran-Iran.**
- 2003: WHO/EMRO, Workshop on Health Research Proposal Developmen, 15-19 June, **Cairo-Egypt.**
- 2001: Health Ministry of IRI, Workshop on Ten Steps in HSR, **Mashhad-Iran**
- 2001: Health Ministry of IRI and WHO/EMRO, Workshop on Process of Evidence-Based Decision-Making at the Hospital and District Level, **Tehran-Iran.**
- 2000: Health Ministry of IRI, Workshop on Skilled and Developed Research, **Tehran-Iran.**
- 1999: Shiraz University of Medical Sciences, Workshop on Quality Health Promotion. **Shiraz-Iran.**
- 1999: Shiraz University of Medical Sciences, Workshop on Health System Research (II). **Shiraz-Iran.**
- 1998: Health Ministry of IRI, Workshop on Quality Studies & Research, **Tehran-Iran.**
- 1997: Shiraz University of Medical Sciences, Workshop on Health System Research (I), **Shiraz-Iran.**

My Thesis

- **Ph.D:** Cost-effectiveness of harm reduction programs of DICs (Drop-In Centers) to prevent of HIV/AIDS among Intravenous Drug Users (IDUs) in Iran.
- **MPH:** Screening rates among women above 35 years in Shiraz, Iran.
- **MD:** Preoperative radiation in colorectal cancer, outcome review of 10 cases in Namazee hospital.

Interesting

- COVID-19
- Epidemiology methods and studies
- Diabetes
- Cohort studies
- HIV/AIDS
- Drugs and addiction
- Health economic, especially CEA and modeling
- Screening and Periodic health examination (PHE)

▪ Activity & Teaching

- 2023: Workshops on “effective presentation” for students of Shiraz University of Medical Sciences.
- 2023: Workshops on RCT and Systematic review and Meta-analysis for faculties of Shiraz University of Medical Sciences.
- 2019: Workshops on RCT and Systematic review and Meta-analysis for faculties of Shiraz University of Medical Sciences.
- 2018: Workshops on Cohort studies for faculties of Shiraz University of Medical Sciences.
- 2017: Workshops on RCT and Systematic review and Meta-analysis for faculties of Shiraz University of Medical Sciences.
- 2016: Workshops on RCT and Systematic review and Meta-analysis for faculties of Shiraz University of Medical Sciences.
- 2016: [Workshop](#) on RCT for regenerative medicine research center of Shiraz University of Medical Sciences.
- 2016: Workshops on RCT and Systematic review and Meta-analysis for faculty of Shiraz University of Medical Sciences.
- 2015: Workshops on epidemiologic aspects of health management for health manager of Shiraz University of Medical Sciences. (3 courses)
- 2015: Workshops on RCT and Systematic review and Meta-analysis for faculty of Shiraz University of Medical Sciences.
- 2014: Workshops on Advance Research Methods for Clinical Faculty of Fasa University of Medical Sciences.
- 2014: Workshops on RCT and Systematic review and Meta-analysis for faculty of Shiraz University of Medical Sciences.
- 2014: Workshops on data analysis and data to decision, Shiraz University of Medical Sciences Staff.
- 2014: Workshops on Basics of Surveillance system of diseases for Shiraz University of Medical Sciences Staff.
- 2014: Workshops on RESEARCH METHODS for Fars Health Staff (2)
- 2013: Workshops on “Applied SPSS (1)” for Shiraz University of Medical Sciences Staff. (2 times)
- 2012: Workshops on “Applied SPSS (1)” for Shiraz University of Medical Sciences Staff. (4 times)
- 2011: Workshops on “Basics of Screening of Cancers” for Shiraz University of Medical Sciences Staff.
- 2011: Workshops on “Basics of Screening of Diabetes” for Shiraz University of Medical Sciences Staff.
- 2011: Workshops on “Cohort studies” for Shiraz University of Medical Sciences Staff. (5 times)
- 2011: Workshops on “effective presentation” for Shiraz University of Medical Sciences Staff.
- 2011: Health Information System, Health Managers of Shiraz University of Medical Sciences Staff
- 2010: Workshops on "Surveys studies, Data collection and Sampling". Shiraz University of Medical Sciences Staff.
- 2010: MSc thesis, Cost-effectiveness of MMT centers to prevent HIV among IUDs in Shiraz.
- 2010: Workshops on "Ecological data and ecological studies". Shiraz University of Medical Sciences Staff.
- 2010: Workshops on "Data collection, questionnaire designing, and assessment of questionnaire reliability and validity". Shiraz University of Medical Sciences Staff.
- 2010: Workshops on “effective presentation” for Shiraz University of Medical Sciences Staff.
- 2010: Workshops on “effective presentation” for Fars Health Staff.
- 2009: Workshops on “ Sampling and sample size” for Faculty members of Shiraz University of Medical Sciences.
- 2009: Workshops on “How to Write a Paper, Advanced” for Fars Health Staff.
- 2007: peer reviewer of Iranian journal of epidemiology
- 2007: MPH course on Fundamentals of epidemiology
- 2006: MPH course on Infectious epidemiology
- 2005: MPH course on research methods
- 2005: Member of Scientific Committee of the student seminar of health sciences, Tehran University of Medical Sciences, 13-14 Dec, Tehran-Iran.
- 2005: Member of Scientific Committee of the 2nd conference of Scientific and Research on Relief and Rescue Management, Iranian Red Crescent Society, 11-12 May, Tehran-Iran:
- 2004: 28 Workshops on HIV/AIDS prevention, Red Crescent Society of Fars Province:
- 2004: 5 Workshops on RESEARCH METHODS & HSR, Shiraz University of Medical Sciences, Level 2
- 2003: 3rd National Medical Students Workshops on Epidemiology studies, Yasouj medical university:
- 2002: Training & education of windows, 98 word & power point office & internet for jahrom health staff:
- 2002: Workshops on “ How to Write a Paper” for Fars Health Staff:

- 2001: Training & education of windows, 98 word & powerpoint office & internet for fars health staff:
- 2001: Workshop on RESEARCH METHODS for Fars Health Staff. (1)
- 2001: Workshop on RESEARCH METHODS for Marvdast Health Staff
- 2001: Training & Education of WINDOWS, 98 WORD & POWER POINT OFFICE & INTERNET for Fars Health Staff
- 2001: Workshops on RESEARCH METHODS for Fars Red Crescent Society Staffs
- 2000: Workshops on RESEARCH METHODS for Fars Health Staff. (2)
- 2000: Workshops on RESEARCH METHODS for Fars Health Staff. (1)
- 2000: Member of Scientific Committee of the 4TH National Seminar "Nursing Management of Infectious Disease" Fatemeh College of Nursing and Midwifery Office of Research Shiraz University of Medical Sciences
- 2000: Workshops on RESEARCH METHODS for Fars Health Staffs. (2)
- 2000: Workshops on RESEARCH METHODS for Fars Health Staffs. (1)
- 1999: Workshops on research Methods for Fars Health Staff. (2)
- 1999: Workshops on research Methods for Fars Health Staff. (1)
- 1998: Workshops on research Methods for Fars Health Staff. (2)
- 1998: Workshops on research Methods for Fars Health Staff. (1)

▪ Awards and Honors

- 2023: Updated science-wide author databases of standardized citation indicators by [Stanford](#) (2% of world scientists)
- 2023: Distinguished Researcher in School of health, Shiraz University of Medical Sciences.
- 2022: Distinguished Researcher in Shiraz University of Medical Sciences.
- 2014: Distinguished Researcher in Shiraz University of Medical Sciences.
- 2013: Winner of best poster presentation, Management health system services of primary health care. ZUMS.
- 2013: Winner of best poster presentation, International congress on Iran's health vision 2025. SUMS.
- 2009: Member of National foundation for elites ([Nokhbegan](#)).
- 2006: 1st Prominant Ph.D student in medical sciences in all medical universities of Islamic Republic of Iran.
- 2003: Distinguished Researcher in Shiraz University of Medical Sciences.
- 2002: Distinguished Researcher in Shiraz University of Medical Sciences.
- 2001: National Chosen Volunteer of Iran (IR) Red Crescent Society.
- 2001: First Rank, Paper about ArtAIDS in Internet. Iranian Congress of AIDS & Sexually Transmitted Infections, Birjand Medical School; Iran. May 17-18, 2001.
- 2000: Distinguished Researcher in Shiraz University of Medical Sciences.
- 1999: First Rank, Paper about Complication of Addiction, Oral Presentation in Zahedan University of Medical Sciences, Iran.

▪ Grants

International

- 2010: [XVIII International AIDS Conference](#), IAS, Vienna-Austria, 18-23 July, 2010.
- 2004: UNODC/Daryoush Institute, Primary prevention of substance abuse in military soldjers in Fars province, \$6000
- 2003: WHO/EMRO, The effect of maternal narghile smoking on neonatal weight and delivery outcomes in shiraz, \$5500
- 2002: WHO/EMRO, Assess the acceptibility of family planning services Shiraz and Kerman District health center, \$2300.
- 2001: Fars women commission, Determination of Marital Satisfaction and its Contributing Factors in Shiraz, \$1500.

National

- More than 160 approved proposals.

▪ Editorial Board & Reviewing Activities

1. Journal of health sciences and surveillance system, Editorial board
2. Iranian Journal of Epidemiology, Reviewer
3. Journal of School Health, Reviewer
4. Iranian Journal of Public Health, Reviewer

▪ Publication

A. Papers

English language

1. The association between adequacy and moderation of quality of the diet with metabolic syndrome parameters among Iranian health worker based on the baseline data of Employees Health Cohort Study. [AIM](#)
2. Preliminary prognostic outcomes of children in chronic liver diseases in Shiraz Pediatric Liver Cirrhosis Cohort study (SPLCCS). [Egyptian Liver Journal](#)
3. COVID-19 Deaths at Home: Insights from a Descriptive Survey of Family Caregivers in Southern Iran. [journal of acute disease](#)

4. Who managed COVID-19 better in their country? Male or female leadership. [JHSS](#)
5. Association between sleep quality and metabolic syndrome among healthcare workers in southern Iran: A cross-sectional study. [Medicine and Health](#)
6. Correlation between neonatal, infant and under 5-years mortality rate and COVID-19 indices in global level: An Ecologic Study. [Infection, Epidemiology, and Microbiology](#)
7. Trend analysis of AIDS mortality and years of life lost from 2004 to 2019 in southern Iran. [HIV & AIDS Review](#)
8. High Prevalence of Cardiovascular Mortality Following Recovery from COVID-19-Associated Hospitalizations in Southern Iran: An Epidemiologic Study Using Data-linkage Approach. [BMC Cardiovascular Disorders](#)
9. The Effects of the Covid-19 Pandemic on the Routine Vaccination of Children Under Five Years Old in Healthcare Centers Under the Supervision of Shiraz University of Medical Sciences 2019-2021. [BMC Pediatrics](#)
10. Body Composition Measures including Sarcopenia Prevalence and impact on Outcomes in Children with End Stage Liver Disease using Bioimpedance Analysis. [BMC Pediatrics. Accepted](#)
11. The trend of years of life lost caused by 4 main non-communicable diseases in Fars province in the age group of 30-70 years. Joinpoint regression analysis. [Journal of Occupational Health & Epidemiology \(Accepted\)](#)
12. The feasibility and acceptability of an HIV web-based screening program in Iran. [JHSS](#)
13. A Case-Crossover Study of Air Pollution Exposure During Pregnancy and the Risk of Stillbirth in Tehran, Iran, 2018-2023. [Scientific Reports](#)
14. Lifetime attributable risk for breast cancer induced by high-resolution computed tomography during COVID-19 pandemic. [Journal of Family and Reproductive Health](#)
15. Trend analysis of suicide and homicide mortality and years of life lost (YLL) in 10-19 years in the south of Iran, 2004-2019. [Journal of Research in Health Sciences](#)
16. Proposing a Novel Criterion for Achieving Herd Immunity in Global Epidemics (Pandemics): The Importance of Vaccination Velocity. [Iranian Journal of Public Health](#)
17. Investigating the prevalence of undiagnosed diabetes and its associated factors among healthcare workers: A Cross-sectional study in South of Iran. [Journal of Diabetology](#)
18. The Lag -Effects of Air Pollutants and Meteorological Factors on COVID-19 Infection Transmission and Severity: Using Machine Learning Techniques. [Journal of Research in Health Sciences](#)
19. Mortality Rate and Years of Life Lost due to ischemic heart disease in the South of Iran between 2004 and 2019: A Population-Based Study. [Archives of Iranian Medicine](#)
20. Evaluation of the COVID-19 vaccine effectiveness on the outcomes of COVID 19 disease in Iran: a test-negative case-control study. [Frontiers in Immunology](#)
21. Projection of the Prevalence of Tracheal, Bronchus, and Lung Cancer Incidence Using Cigarette Smoking Prevalence in Iran from 1990 to 2018: A Comparison of Latent Period-Based Models with Standard Forecasting Models. [BMC Public Health](#)
22. The two-year epidemiological investigation of the COVID-19 pandemic in the nomadic population of Fars province, Southern Iran: An ecological study (February 20, 2020, to February 19, 2022). [Heliyon](#)
23. Evaluation of Survival and Its Related Factors in Hospitalized Covid-19 Patients in Fars Province in the South of Iran: A Hospital-Based Historical Cohort Study (2019 – 2022). [Journal of Occupational health and epidemiology](#)
24. Trend analysis of drowning mortality and years of life lost (YLL) in the south of Iran, 2004-2019. [Journal of Emergency Medicine, Trauma and Acute Care](#)
25. 16-year period of Years of Life Lost Associated with Musculoskeletal Disorders in south of Iran, 2004-19. [Journal of Occupational Health and Epidemiology](#)
26. Excess Deaths during the COVID-19 Pandemic in Southern Iran: Estimating Absolute Count and Relative Risk with Use of Ecologic Data. [Preventive medicine and public health](#)
27. Comparing Body Composition Measures in Children with End Stage Liver Disease using noninvasive Bioimpedance Analysis. [BMC Pediatrics](#)
28. The Relationship between Weight Status and Food Environments, Peer Influence, and Dietary Intake among High-School Students: A Case-Control study. [Nutrition and Food Science](#)

29. Factors Associated with Late Initiation of Antiretroviral Therapy in Iran's HIV/AIDS Surveillance Data. [Scientific Reports](#)
30. Epidemiology of Suicide with Cold weapon in Fars province during 2011-2019. [Violence and Gender](#)
31. Forced inspiratory suction and swallow tool (FISST): an automation of Valsalva maneuver variants for therapeutic interventions. [Expert Review of Medical Devices](#)
32. The Burden of Premature Mortality in Southern Iran during 2004-2019 Using Standard Expected Years of Life Lost: A Population-Based Study. [Iranian Journal of Public Health](#)
33. Unintentional injuries in children in the south of Iran, 2004-2019- a trend analysis of mortality rates. [BMJ Paediatrics Open](#)
34. Correlation between HIV, Tuberculosis, and Malaria with COVID-19 Indices: A Global Level Ecological Study. [JHSS](#)
35. Trend Analysis of Unintentional Poisoning Mortality and Years of Life Lost in The South of Iran, 2004-2019. [journal of research in health sciences](#)
36. Cohort Profile: Shiraz Pediatric Liver Cirrhosis Cohort (SPLCCS). [AIM](#)
37. Epidemiological features and consequences of COVID-19 in patients with and without gastrointestinal symptoms in southwestern Iran. A retrospective observational study. [Health Science Reports.](#)
38. Comparison of Time to Report the Side Effects after AstraZeneca and Sinopharm Vaccinations in Users of the COVID-19 Symptom Study App: A survey in South Iran. [Medical Journal of the Islamic Republic of Iran](#)
39. Mortality rate and Years of Life Lost Due to Breast and Gynecologic Cancers in Southern Iran 2004-2019: A Population-Based Study. [Iranian Journal of Public Health](#)
40. Trend analysis of leukemia mortality and years of life lost (YLL) from 2004 to 2019 in Fars Province, Iran. [AIM](#)
41. Correlation between Social Capital and COVID-19 Indices: A Global Level Ecological Study. [Journal of Research and Health](#)
42. Trend analysis of asthma mortality and years of life lost from 2004 to 2019 in southern Iran. [Lung India](#)
43. The Effect of a Volunteer-led Training Program in Empowering Women about Food Safety: An Application of Social Cognitive Theory. [JHSS](#)
44. COVID-19 Vaccination Hesitancy Among 5 - 11-year-old Iranian Children's Parents: What Are Underlying Beliefs? [Archives of Pediatric Infectious Diseases](#)
45. Trend analysis of unintentional fall mortality and years of life lost (YLL) in the south of Iran, 2004-2019. [Iranian Journal of Public Health](#)
46. Epidemiology of suicide by hanging in Fars, Iran (2011-2019): A population-based cross-sectional study. [Journal of preventive medicine and public health](#)
47. Correlation Between Diabetes and COVID-19 Indices: A Global Level Ecological Study. [SAGE Open Nursing](#)
48. Duration of delayed diagnosis in HIV/AIDS patients in Iran: A CD4 depletion model analysis. [Frontiers in Public Health.](#)
49. Prevalence and risk factors associated with tuberculosis and HIV coinfection in Iran: A Multivariate Firth logistic regression for rare events. [Journal of Infection in Developing Countries](#)
50. A 30-year trend of the incidence and death of tracheal, bronchial, and lung (TBL) cancers in Iran and forecasting until 2026 based on time series analysis. [World Cancer Research Journal](#)
51. Comparison of in-hospital mortality of COVID-19 between pregnant and non-pregnant women infected with SARS-CoV-2; a historical cohort study [Journal of Perinatal Medicine](#)
52. Effectiveness of Antiretroviral Treatment on the Transition Probability of Immunological State of HIV/AIDS patients: A Markov Chain Model on the Iranian "National Registry of HIV/AIDS Care" Database. [BioMed Research International](#)
53. Effects of the COVID-19 lockdowns on the care delivery to the children with autism spectrum disorder: A web-based cross-sectional study. [Advances in Autism](#)
54. Trend of Mortality Rate and Years of Life Lost due to cerebrovascular diseases in Fars (Iran) 2004-2019. [AIM.](#)
55. The effect of COVID-19 pandemic on diabetes care indices in Southern Iran: An interrupted time series analysis. [BMC Health Services Research.](#)
56. Determining the Predictors of Covid-19 Disease Based on Data from Fars Province. [JHSS](#)

57. Active Monitoring of Persons Exposed to Patients with Confirmed COVID-19 in South of Iran. [JHSS](#)
58. Temperature and COVID-19 Incidence: An Ecologic Study. [Journal of health and research](#)
59. Trend analysis of suicide and homicide mortality and years of life lost (YLL) in the south of Iran, 2004-2019. [Journal of Research in Health Sciences](#)
60. Mortality rate and years of life lost due to burn in southern Iran during 2004-2019: A population-based study. [AIM](#)
61. The trend of years of life lost due to gastrointestinal cancers in Fars (Iran) 2004-2019. [Iranian Journal of Public Health.](#)
62. Parents' Attitude to School Reopening before the Emergence of Omicron Variant of SARS-CoV-2: A Retrospective Web-based Survey. [Health Management and Information Science](#)
63. Trend analysis of lung cancer mortality and years of life lost (YLL) in south of Iran, 2004-2019. [Iranian Journal of Public Health](#)
64. The Efficacy of Ivermectin and Metronidazole vs. Standard Treatment Protocols on Outcomes of COVID-19 in Hospitalized Patients: A Triple-Blinded Randomized Controlled Trial. [Archives of Clinical Infectious Diseases](#)
65. Mortality rate and years of life lost due to Hypertension in the south of Iran between 2004 – 2019. [International Journal of Hypertension](#)
66. Prognosis of COVID-19 infection among opium users in Iran, 2020: a hospital-based study. [Journal of Substance Use](#)
67. Prevalence of diabetic retinopathy in Eastern Mediterranean Region (EMR): A systematic review and meta-analysis. [Journal of International Medical Research](#)
68. Effect of the COVID-19 pandemic on maternal healthcare indices in Southern Iran: an interrupted time series analysis. [BMJ Open](#)
69. The Mortality Rate and Years of Life Lost due to COVID-19 in Southwestern Iran. [JHSS](#)
70. Identifying the latent class of risk factors among HIV patients in Iran: results from national HIV/AIDS surveillance data. [HIV & AIDS Review](#)
71. Prevalence of Late Presenters and Advanced HIV disease in HIV patients and their related factors in Iran: Results from 19 years of national surveillance HIV data. [AIDS Research and Human Retroviruses](#)
72. Diabetes in southern Iran: a 16-year follow-up of mortality and years of life lost. International. [Journal of Diabetes in Developing Countries](#)
73. Mortality rate and Years of life Lost due to road traffic accidents in southern Iran, 2004-2019. [Iranian Journal of Public Health](#)
74. Components Affecting the Promotion of COVID-19 Disease Prevention Behaviors among Iranian Students: A Qualitative Study by Using the PRECEDE Model. [BioMed Research International](#)
75. Physical and Psychological Problem of COVID-19 Infection in Healthcare Workers: A Systematic Review and Meta-analysis. [JHSSS](#)
76. Estimation of the Reproductive Number Trend of the Novel Coronavirus "COVID-19" in Southern Iran from July to November 2020. [IJMS](#)
77. Correlation between Human Development Index and its components with COVID-19 Indices: A global level ecologic study. [BMC Public Health](#)
78. Spatial epidemiology and meteorological risk factors of covid-19 in fars province, iran. [Geospatial Health](#)
79. Spatiotemporal Study of COVID-19 in Fars Province, Iran, October-November 2020: Establishment of Early Warning System. [Canadian Journal of Infectious Diseases and Medical Microbiology](#)
80. Efficacy of Single Dose and Double Dose Ivermectin Early Treatment in Preventing Progression to Hospitalization in Mild COVID-19: A Multi-Arm Parallel-Group Randomized, Double Blind, Placebo-Controlled Trial. [Respirology](#)
81. Effectiveness of COVID-19 Vaccines in preventing Infectiousness, Hospitalization and Mortality: A Historical Cohort Study Using Iranian Registration Data During Vaccination program. [Open Forum Infectious Diseases](#)
82. Knowledge, attitude and practice toward the novel coronavirus (COVID-19) outbreak: a population-based survey in Iran. [JHSSS](#)
83. The Association of Opium Abuse with Mortality Amongst Hospitalized COVID-19 Patients in Iranian Population. [Journal of prevention](#)

84. COVID-19 Vaccine Acceptance and its Associating Factors among Iranian Health Workers, 2020. [Iranian Journal of Medical Sciences](#)
85. Unemployment and COVID-19-related mortality in fars cohort study: historical cohort study of 50,000 hospitalized participants in iran. [Epidemiology and Health](#)
86. suicide attempts and deaths by self-immolation: A population-based study in Fars (Iran); 2011-2019. [Medicine, Science and the Law](#)
87. Sleep quality, stress and thyroid cancer: a case–control. [Journal of Endocrinological Investigation](#)
88. Function and preparedness of diabetes's surveillance system from managers and policymakers' viewpoint in Iran. [JHSS](#)
89. Mortality rate and years of life lost due to suicide death in Iran, Fars province. [Archives of Iranian Medicine](#)
90. The prevalence and predictors of pre-diabetes and diabetes among adults 40–70 years in Kharameh cohort study: A population-based study in Fars province, south of Iran. [Journal of Diabetes & Metabolic Disorders](#)
91. The relationship between demographic features, anthropometric parameters, sleep duration, and physical activity with ECG parameters in Fasa Persian cohort study. [BMC Cardiovascular Disorders](#)
92. Dental Caries Experience and its Relationship to Demographic Factors in 2-6 Year Old Children in Fars, Iran in 2018. [International Journal of Dental Hygiene.](#)
93. Value of Rapid antigen test in comparison with RT-PCR method for diagnosis of COVID-19. [Mediterranean Journal of Infection Microbes and Antimicrobials.](#)
94. Estimation of the Reproductive Number Trend of Novel Coronavirus "COVID-19" in Southern Iran from July to November 2020. [Iranian Journal of Medical Sciences](#)
95. The epidemiology of suicide by medication overdose: A population–based study in southern of Iran; 2011-2019. [Archives of Medical Research](#)
96. Adherence to physical distance and mask wearing from civil servant's viewpoints during COVID-19 pandemic, between 2nd and 3rd peaks in south of Iran, 2020: An online-based survey. [Journal of Health Management & Informatics](#)
